Highland Springs

The trail system consists of almost 30 miles of trails over the 3200 acre property. Most trails are narrow, single-track, with some steep drop-offs, and limited line of sight. Trail use is predominantly horseback rider and hiker. The terrain is mostly rolling hills and open grasslands. The trails are 80% signed and a map is in the works. The Range Trails are approximately 6 miles of trails groomed, maintained and used by the Hooves and Wheels Driving Club for cart and carriage driving as well as horseback riding and hiking.
